Great Falling Off in the Export Trade for Month of March.

March.

NEW YORK, April 15.—Anything of interest in the financial world to-day was found outside of the stock market. That was like a stagnant pool. Some of, the day's developments were not unimportant, but they had no reflection in the stock market. The statement of the country's foreign trade for March made a remarkable showing. The point most discussed was the falling off in value of exports, as compared with March of last year, the decline of unwards of \$16,000.000 in the agricultural exports heing expanded in the total exports to over \$20,000.000. Falling off in cotton exports accounts for more than \$18,000.000 of this decrease, and the comparison with a month of extraordinary cotton exports. The March exports. In fact, do not compare badly with any March previous to last year for several years back.

Interior banks continue to ship currency to New York on a very large scale, bank-notes figuring largely in these shipments. Owing largely to the redemptions of these at the Subtreasury, the banks have gained from that institution in the 'present week \$4.955,000. Several large dividend disbursements were made to-day, and the plethoric condition of the money market was rather increased.

Another rise in sterling exchange in this market to-day and a fall in the sterling exchange rate at Paris carried conditions across the line of profit on gold exports. Engagements have been looked for for several days past, but foreign money markets manifested a languid interest in the matter and offered no inducement to halt the movement. The stock market was a stitle affected by this as by any other influence.

Bonds were inchanged on call. Total

influence.

Bonds were irregular. Total sales, per value, \$3,184,000. United States bonds were unchanged on call. Total thies of stocks to-day, 259,200 shares.

COTTON MARKETS.

COTTON MARKETS.

NEW YORK, April 15.—The cotton marger recovered several points of its recent less during to-day's trading with the close steady at a net advance of 3913 points. Sales were estimated at 250,000 bales. The market opened firm at an advance of 7913 points in response to better cables than expected and talk of too much rain in the Scuthwest. Right after the opening there is seen to be some more long cetten pressing for sale, and during the early session prices eared off in consequence, with near months selling back to about the closing prices of last night, while the new crop ruled relatively steady and about 204 lonits net higher. But liquidation was not so heavy as the previous dux, and as soon as it had true its course the market firmed up on reports of flood stages along the lower Missisph, overflow in Texas, threatening overflows in Arkansas and private advices reporting that rains were delaying crop prevarations in the Western belt. The covering movement was accelerated by private wires from the South claiming a better export demand for spot cotton, and in the late trading May sold at 9.00 and October at 9.68, or 15 217 points set higher. The closing was off from the best under realizing by early buyers. A good part of the business was probably in the way of evening up in preparation for the Easter holidays, as the market will be closed from Thursday Tight until Monday morning.

Heccipts at the ports to-day were 11,623 bales against 2055 has week and 20344

CELEBRIATED AT AIRLIE

[Special to The Times-Dispatch.]

WILMINGTON, N. C., April 15.—Of a quiet nature on account of Lent, but yet of plenty of brilliancy, the twenty-first birthday of Miss Sadie Jones, daughter of Mr. and Mrs. Pembroke Jones, was celebrated at Afrile-on-the-Sound, Monday night. The intimate friends of the Jones in Wilmington were present and the affair, the main feature of which, a full-dress 8 oclock dinner, was most enjoyable. Airlie was decorated for the occasion, and the centre of the table held a large birthday cake ornamented with twenty-one candles. During the evening the blazo of the electric lights was shut-off and one by one each tiny flame on the cake was blown out by the charming young hostess.

At the Bijou.

Fiske O'Hara, the silver-voiced tenor, who was so well received here last season, will begin a week's engagement at the Bijou next Monday night in the pretty Irish play, "Dion O'Dare." This plece is said to equal the Chauncey Oleott plays, and O'Hara is looked upon as, the successor in this particular line of work to the popular matince idol.

"999" Making Good.

The sensational melodrama, "Convict 999," is doing good business at the Bijou this week. The galleries and the orchestra get together in the applause, and as a thriller the plece goes. There will be at matinee this afternoon, with the usual performances during the week.

Eddle Leonard at Home Again.

Eddle Leonard, Richmond's clever minstrel comedian, is making his first appearance this week in his home town at the Colonial. Leonard has been in the minstrel business all his life. His many friends and acquaintances are giving him a hearty reception. He is being assisted by the clever Gordon boys, dancers. Aside from being mereiy an actor, Leonard is a composer and a versatile Thespian. The songs he sings in his act, with the exception of "Home, Sweet Home" and "Way Down Upon the Suanes River," are creations of his own, Leonard is not the whole show this week. There is a great big bill of all-star features around him, notably the Military Octet and the Keaton Family. The thesis will be closed on Good Friday. Eddle Leonard at Home Again.
